GRADED CLASS BEATS RESERVES

Basketball Game at Central Y. M. C. A. Proves Attractive to Large Gallery.

The Y. M. C. A. Reserves were de-Thanksgiving night in a hotly contested game of basketball by the score of 18 to 9. The Graded Class outplayed their opponents in every department of the game, and the score would have been larger but for the stellar defensive work of Dunford. The features of the game were the all around playing of the Graded Class and the playing of the Graded Class and the defensive work of Dunford for the Reserves. The good showing of the Graded Class was due to the coaching of C. I. Perkins, who is one of the best players that the Y. M. C. A. has turned out for some time. The line-up was as follows:

initial dash for two-year-oles, and servicence, with the same jockey, won declared the winner of the mile and seventy-yard event. This declsion was not a popular one. The finish was so close between Master Jim and Servicence that it could have ensity been declared a cead heat, and the spectators would have applicated the decision.

Manager Bob Levy, of the Jamestown Jockey Club, stated to-night that the meeting which closed to-night was the most successful ever held under his management. He said a number of owners sent their horses here this fall who had never raced nere before. Fully 400 horses will remain in the stables at the track until the opening of the meeting in Charleston in January.

Alexandria Will Claim High School Championship if Hill City Refuses.

Alexandria, Va. November 13. Sporting Editor. The Times-Dispatch: Sir.—The Alexandria High School football team defeated the Randoiph-Macon Academy and Episcopal High School this season, I have challenged the Lynchburg High School for a game to be played on their grounds Saturday, December 14, and if they don't accept we claim—which we have a right to do—the championship of all high schools in Virginia. I deny your editorial in regards to Lynchburg being the so-called champion. The only way I know possible is to play it out, and we are willing to come to Lynchburg being the so-called champion. The only way I know possible is to play it out, and we are willing to come to Lynchburg being staturay, December 14. to decide same if they don't accept the Alexandria High School football team is the undisputed champion of the State of Virginia.

Hoping that you will publish this game, and if they don't accept the Alexandria High School football team is the undisputed champion of the State of Virginia.

Hoping that you will publish this challenge in your paper at your earliest convenience. I am.

Respectfully yours.
